

# Team Decided – Raft Consensus

Iteration Plan 3 - Starting 14/03/2018

## 1. Key Milestones

| Milestone                | Date       |
|--------------------------|------------|
| Iteration Start          | 14/03/2018 |
| Complete LCOM assignment |            |
| Iteration End            | 28/03/2018 |

## 2. High-level Objectives

| ID | Objective                | Date       |
|----|--------------------------|------------|
| 1  | Complete LCOM assignment | 28/03/2018 |

### 3. Evaluation Criteria

| Obj. ID | Evaluation Criteria   |
|---------|---|
| 1       | Completed LCOM assignment                                       |
| 2       | Completed LCOM assignment to expected High Distinction standard |

#### 4. Work Item Assignments

State:

C – Complete

P – In Progress

W – Waiting to start

| Work ID       | Name or keywords                                | Outcome | State | Assigned to | Est (hrs)    | Act (hrs) | Left (hrs) |
|---------------|---|---------|-------|-------------|--------------|-----------|------------|
| 1.1           | Write a Project Vision                          |         | W     | Team        | 1:00         |           |            |
| 1.2           | Create an Initial Requirement Model             |         | W     | Team        | 1:00         |           |            |
| 1.3           | Write a Proposed Architecture                   |         | W     | Team        | 1:00         |           |            |
| 1.4           | Create a Risk List                              |         | W     | Team        | 1:00         |           |            |
| 1.5           | Create a Master Test Plan                       |         | W     | Team        | 1:00         |           |            |
| 1.6           | Create a Initial Project Plan                   |         | W     | Team        | 1:00         |           |            |
| 1.7           | Complete a Technical competency demonstrator    |         | W     | Team        | 1:00         |           |            |
| 1.8           | Write Inception Phase Project Status Assessment |         | W     | Team        | 1:00         |           |            |
| 2.1           | Confirm quality                                 |         | W     | Team        | 2:00         |           |            |
| <b>Totals</b> |   |         |       |             | <b>10:00</b> |           |            |

## 5. Issues

| Issue | Status | Notes |
|-------|--------|-------|
|       |        |       |

## 6. Assessment

|                                      |   |               |
|--------------------------------------|---|---------------|
| <b>Assessment target</b>             | Iteration 3   |               |
| <b>Assessment date</b>               | 28/03/2018  |               |
| <b>Participants</b>                  | All   |               |
| <b>Project status</b>                | Green   |               |
| <b>Assessment against objectives</b> | <b>Objective</b>  | <b>Result</b> |
|                                      | Completed LCOM assignment                                       |               |
|                                      | Completed LCOM assignment to expected High Distinction standard |               |
| <b>Work items</b>                    |   |               |
| <b>Other concerns and deviations</b> |   |               |
